## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Westview Elementary School is home to approximately 542 third, fourth and fifth grade students known as the Westview Whales. At Westview Elementary, we have high expectations for both students and teachers. We are committed to continued learning and growth.

Our teachers strive to provide the best possible education for our students. Through our Professional Learning Community, our teachers strive to raise the level of rigor, create common assessments and plan instruction based on individual student needs and Common Core and state standards. Our key to improve student learning is through the continuous professional development for our teachers and staff.

The Positive Behavioral Interventions and Supports (PBIS) program creates a school-wide system of support focusing on teaching positive student behaviors and ultimately increasing student achievement. In addition, the RITZ (Reading in the Zone) and Roscoe Reading programs challenge students to become better readers by meeting their individualized reading goals and increasing their reading levels. The two reading programs are incentive programs designed to motivate and reward students for their reading achievements. Students receive additional time and support during the school day with small-group targeted instruction and assistance-based targeted computer programs. Westview Elementary also provides extended morning and after school care through our Whale Watch program.

Student achievement continues to be a top priority. Teachers utilize data provided by computerized MAP testing (Measures of Academic Progress), PASS, AIMS Web and Success Maker to identify students' strengths and weaknesses. Classroom curriculum is also enriched with technology by incorporating SMART boards, Elmos and Lumens, student-response systems, interactive, wireless mobile tablets, Netbooks, and iPads. WVE also utilizes two networked computer labs that provide individualized skills practice, Microsoft Office, and keyboarding skills.

Through our shared purpose, vision, commitment, and goals, the Westview staff, parents, and community will continue to work diligently to ensure every student's success in 2013-2014.
